

SUHAEB SALAH

Junior Laravel / PHP Developer

Erbil, Kurdistan, Iraq | suhaebs988@gmail.com | +964 750 988 7202

PROFESSIONAL SUMMARY

Motivated and dedicated Junior Laravel / PHP Developer with hands-on experience in building real web applications. Skilled in Laravel, PHP, MySQL, JavaScript and modern front-end technologies. Passionate about learning new technologies and solving problems. I am eager to contribute to a company's success by delivering clean, efficient and reliable code, and growing my skills in a professional environment.

WORK EXPERIENCE

Laravel Developer (Personal Projects) 2024 – Present

Self-Employed Erbil / Duhok, Kurdistan

- Developed a business management system for Adnan Electric using Laravel, PHP, MySQL, Tailwind CSS, JavaScript and AJAX.
- Built a password management system (SavePass) with secure authentication, email OTP and 2FA.
- Created a clinic management system for appointment and patient tracking.
- Worked on multiple small projects to improve my skills in Laravel, JavaScript, and database management.

IT Graduate 2021 – 2025

Polytechnic University of Duhok / Technical College of Informatics – Akre

- Completed my Bachelor's degree in Information Technology.
- Gained a solid foundation in programming, databases, networking and web technologies.
- Worked on academic projects and group assignments using PHP, MySQL, and modern web technologies.
